

**Visitor's Information Night**  
**2010-2011**  
**5:00 P.M. – 6:30 P.M.**

**October 19, November 16, January 18, February 15, March 15, April 12, May 17**

This evening is designed to provide attendees with an overview of Charles Armstrong School. You will learn WHO we teach – the profile of a Charles Armstrong student; WHAT we teach – what our academic program includes; and HOW we teach – a bit about the methodologies we use to teach students with language based learning differences.

The evening program is designed for adults and is presented by CAS teachers Rosa Lee Johansen, who has many years experience teaching elementary school children with LD, and by Kathryn Ellis, who has many years experience teaching middle school students with LD. They will guide you through Charles Armstrong School's academic and co-curricular programs and help you understand how we meet the diverse learning needs of the students at CAS.
