**Charles Armstrong School Parent Traffic Agreement
2011-2012**

As parent(s)/guardian(s) of _____, a student currently enrolled at Charles Armstrong School (CAS), We (I) understand and agree to the CAS Parent Traffic Agreement as set forth in this document. We (I) understand that our (my) student(s) transportation to and from school is my parental(s)/guardian(s) responsibility and failure to abide by this Parent Traffic Agreement may cause CAS to violate a condition of their Conditional Use Permit (CUP). Violations of a CUP may lead to revocation of the CUP and may ultimately cease operation of CAS for the next school year. The address of CAS is 1405 Solana Drive, Belmont, CA. A map of this location clearly marks the only acceptable parent(s)/guardian(s) parking locations and the locations for drop-off and pick-up as specified and agreed to under this Parent Traffic Agreement. The Parent Traffic Agreement that we (I) agree to is as follows:

RULES

- To only drop-off and pick-up our (my) student(s) at the lower parking lot area (see Traffic Map).
- To make sure our (my) student(s) is ready to exit our (my) vehicle efficiently and in a timely manner and to keep socializing to a minimum during drop-off;
- To use no other drop-off or pick-up point, which includes all streets leading and adjacent to CAS; parking on surrounding streets is also prohibited.
- To inform our (my) student(s) and any of my visitors of the necessity and importance to follow this Traffic Agreement at all times;
- To observe that the parking lot adjacent to CAS' Room 1 located off Solana Drive is reserved for CAS staff and faculty only and is clearly marked as such. Driving into that parking area for any reason is unacceptable.
- To abide by any additional traffic instructions from CAS on where to park for CAS events;
- To provide CAS with all our (my) Automobile License Numbers used to transport our (my) student(s).
- To not use my cell phone for any reason while driving on CAS campus.

CAS NON-COMPLIANCE PLAN

1. If you receive a violation notice from CAS you will be required to meet with Claudia Koochek or the Compliance Officer.
2. A repeated violation will result in consequences up to and including placing your child's attendance in jeopardy for 2011-12 school year.

We (I) fully understand the consequences of non-compliance and by signing this Parent Traffic Agreement we (I) agree and will abide by this Agreement as stated.
