

Imagine!

Imagine what the world could be, if every child met his or her full potential

*You may say we are dreamers
But we're not the only ones
We hope this year you'll join us*

*In the **CHARLES ARMSTRONG**
Annual Fund*

Charles Armstrong School is a community with a common purpose – making a difference in each student’s future by making their learning differences understood. Each year, approximately 250 very special children attend the Charles Armstrong School, each with a unique blend of strengths and challenges – and more important, gifts and talents - waiting to be accessed and developed to their fullest potential.

The *Annual Fund* supports programs that allow all CAS students to thrive. Please help support this amazing community through your contribution to the *Annual Fund*. Every gift is a vote of confidence for Charles Armstrong School’s ability to deliver the unique, highly specialized, quality education it provides to so many deserving students. *Imagine* the difference your contribution will make!

“A general contractor or engineer, so I can create and put things together.”

CAS students
Imagine
they can
become ...

“A veterinarian, because I want to take care of animals”

“A zookeeper, or somebody who works with sea lions”

“A Police Officer”

“A chef and an artist. I could make letters out of the noodles!”

“A superhero, because then I could save people”

“Mickey Mouse, so I can work in Disneyland!”

“A scientist who studies bugs that have been extinct for millions of years”
